

Questions to ask my doctor about adding aspirin to my treatment plan

Please print this page and discuss the following questions with your doctor.

Questions	Doctor response
<p>Would taking an aspirin a day be right for me? How does it work?</p>	
<p>If it's not right for me, why?</p>	
<p>If starting a new medication:</p> <ul style="list-style-type: none"> ▪ Is it safe to take with my other medications? ▪ Are there any side effects I should be aware of? What should I do if I develop any side effects? Are there other OTC medications, supplements or vitamins I should avoid while taking aspirin therapy? ▪ What dosage of aspirin should I take? ▪ Is there a specific type of aspirin I should take? ▪ What should I do if I miss a day?
